But for them to 6 impacted by the voter ID law? 7 actually join the lawsuit, that was -- you know --7 A. I mean, as I said before, in the course of 8 that's pretty much their decision, but we didn't 8 our work -- I mean, in the course of our work -- I 9 mean, like I say, I don't know who from the 9 actively seek, no. 10 Q. Can you list them? 20 the page, Paragraph 12, the Complaint alleges that 20 A. Sure. You have your Texas Driver's License, 21 Ms. Clark, Ms. Imani Clark's voting rights are impeded 21 your Texas ID, you have a military ID, you have a U.S. 22 by SB 14, as she will be prevented from voting in 22 citizenship certificate with a photo, you have a U.S. 23 person at the polls because of Defendants' 23 passport, you have a concealed handgun license, and 24 unnecessarily strict and racially discriminatory photo 24 then you have your Election Identification 25 identification law. 25 Certificate. 71 73 Is that an accurate reading of that O. Also known as the "EIC"? 1 1 A. EIC, correct. 2 allegation? 2 3 A. Correct. Q. Okay. Now, is the contention you were just Q. Okay. Do you know if the Texas League has 4 discussing, is that based on any kind of study or 5 ever assisted Mrs. Clark or tried to assist Mrs. Clark 5 analyses? 6 with registering to vote? 6 MS. Can you rephrase the question? 10 to obtaining an acceptable form of ID under SB 14? 10 Q. (By Mr. Tatum) Sure. 11 A. I don't recall. 11 A. Uh-huh. 12 Q. Does the Texas League -- let me back up. 12 Q. Well, let me back up if we're not going to --13 13 if we don't like the use of the word "contention." Has the Texas League ever assisted or 14 Does the Texas League -- does the Texas League believe 14 attempted to assist any of its constituents in 15 obtaining an acceptable form of ID under SB 14? 15 that SB 14 creates a burden for black and other voters A. I mean, yes. Yes. We've -- I mean, we've --16 of colors because those voters do not have an 17 you know -- we've -- we've -- you know -- like I said, 17 acceptable form of ID under SB 14? 18 A. Yes. 18 we have a lot of print material where we educated them 19 19 on how to go about getting an -- getting an EIC. And Q. Okay. And you previously described the basis 20 I know on -- like I said, on one or two occasions, we 20 for that belief. Correct? 21 A. Correct. 21 did take them to -- to -- you know -- a local mobile 22 DPS office to get an EIC. 22 Q. Okay. Is that belief based on any kind of 23 Q. Does the Texas League contend that SB 14 23 formal study or analyses? 24 creates a burden for black and other voters of color 24 A. I mean, I've read -- I mean, I've read 25 because those voters do not have an acceptable form of 25 articles and, you know, papers and, you know, iPads

74 76 1 that talk about how, you know, the law has been a 1 Q. Yes. 2 burden. And just from people that we've talked to in 2 A. Lacks a significant? 3 the field, you know, how it -- it -- you know -- it's 3 MS. CONLEY: I'm sorry. Can you repeat 4 a burden to particularly African Americans and 4 the question. I don't think he understood it. 5 Hispanics who don't have -- you know -- you know --MR. TATUM: Sure. 6 generally the money and the resources to get one of Q. (By Mr. Tatum) Does the Texas League believe 7 the acceptable forms of ID under this law. 7 that a significant portion of its constituency lacks Q. Does the Texas League believe that SB 14 8 any of the acceptable forms of ID under SB 14? 9 amounts to a poll tax? A. I mean, I don't know -- I mean, I don't know 10 A. Yes. 10 about the, you know, significant. But I know that the 11 Q. And what is that belief based on? 11 people that we talk to and that who we serve -- and 12 A. I mean, it's pretty much based on that the 12 like I said, particularly those who are out-of-state 13 EIC generally isn't -- I mean, isn't a free -- you 13 students here on college campuses here in Texas who 14 know -- free -- you know -- a free document. You 14 don't have a Texas ID or one of the forms of ID, that 15 know, for instance, you know, if you're out-of-state 15 it -- that it affects them greatly. 16 student, number one, you have to -- you know -- go --16 For example, you know, in our meetings, you 17 you know -- go get your -- you know -- pay for a birth 17 know, some of the student organization meetings that 18 certificate, which is one of the forms of ID that's 18 we go to -- one of them could be the California Club. 19 required to prove your citizenship to actually get an 19 And we all know those students who are part of the 20 ID. So you actually have to pay for that, which in 20 California Club are from California and don't have a 21 some instances are \$22 or more in order to get your 21 Texas ID or Texas Driver's License. 22 EIC. So, I mean, it can be argued that, you know, 22 So that's a large -- well, the majority of 23 all those students most likely wouldn't have the form 23 getting an EIC or essentially even having -- you 24 know -- being eligible to use your eligibility to vote 24 of ID, with the exception to, you know, their student 25 can be referred to as a poll tax. 25 ID and their out-of-state ID. 75 77 Q. Does the Texas League believe that SB 14 Q. Can you identify one person who does not have 2 denies or abridges the right to vote on account of 2 any of the acceptable forms of ID under SB 14? 3 race or membership in a language minority group? 3 A. Can I identify one person? A. On account of race? Q. Yes. 5 Q. Race or membership in a language minority A. Well, Imani Clark. 6 group. 6 Q. And she's a party to this lawsuit? 7 A. Yes. 7 A. Uh-huh. 8 Q. And what is that belief based on? Q. Is there anyone else you can identify besides A. I mean -- I mean, as I said before, I mean, 9 Imani Clark? 10 I've been in this work for -- for -- I mean, for quite 10 A. I mean, I don't know by names, I mean, 11 some time. And, I mean, it's -- you know -- it's --11 specifically, but, I mean, I do know that there are, 12 like I said, people within the California Club that 12 it's -- it's discriminatory. And I've said before, 13 don't have it. I mean, I don't know them by name, but 13 you know, African Americans and Hispanics and, you 14 know, different minority groups -- you know -- you 14 I do know there is the a large segment, such as that 15 know -- are disproportionately affected because of the 15 group, that don't have the proper -- proper 16 fact that, you know, they don't have the economic, you 16 identification. 17 know, resources to be able to fulfill the requirements 17 Q. Is Imani Clark part of the California Club 18 to get an EIC. And that pretty much puts a burden on 18 that you just mentioned? 19 the populations we serve, which are, you know, 19 A. I don't think so, huh-uh. 20 minority communities, particularly African Americans 20 Q. Do you know how many of your -- do you know 21 how many Texas League constituents lack a driver's 21 and Hispanics. 22 22 license? Q. Does the Texas League believe that a 23 significant portion of its constituents lack any of 23 A. I don't --24 the acceptable forms of ID under SB 14? 24 Q. A Texas Driver's License? 25 A. That are constituency? 25 A. Oh, I don't know that information.

78 80 A. That's correct. Q. Do you know how many Texas League 1 Q. Do you know if they were successful in 2 constituents lack a Texas-issued photo ID? A. A Texas-issued photo ID? I don't have that 3 obtaining an EIC on that trip? 4 number. I don't know. A. Oh, I don't know, no. Q. Do you know how many Texas League Q. Would she -- would Arianna Williams know? A. (By Mr. Tatum) And I'll represent to you 15 constituency base, the ones who are most impacted, and 16 again that this is the graphical representation of the 16 we, as an organization don't support it because, you 17 know, of the burden that it has on young people and 17 poll that I referenced earlier conducted by the Texas 18 people of color. 18 Tribune and the University of Texas in 2011 showing 19 Q. Looking at this graph, do you see at 25 government-issued photo ID before they can be allowed 25 the top there where the question is presented and it

- Do you see that sentence?
- 6 A. You're correct, I see that sentence.
- 7 Q. Okay. Looking at the graphical
- 8 representation of the data, can you tell me what
- 9 percentage of the people who responded to this poll
- 10 indicated that they agree with that proposition?
- 11 A. I mean, 75 percent. But let me -- but let me
- 12 just -- let me just be clear. When you say
- 13 government-issue photo ID, you know, for state --
- 14 state institutions, those are -- those are -- state
- 15 institutions IDs, that's government-issued ID, as
- 16 well. I mean, government-issued IDs, as well.
- 17 Q. Okay. So do you think that the information
- 18 in this graph is inaccurate then?
- 19 MS. KORGAONKAR: Objection. That
- 20 mischaracterizes testimony.
- 21 A. I mean, that's not what I'm saying. What I'm
- 22 saying is -- I mean, this is poll -- I see this poll
- 23 here. I mean, but I also believe that everyone who --
- 24 who is eligible to vote should have the right --
- 25 should have the right to vote and. . .

- 2 MR. TATUM: Yes.
- 3 Q. (By Mr. Tatum) Again, I'm representing to
- 4 you that this is data compiled by the Texas Tribune

- 6 conducted in February 2011. Mr. Green, looking at the
- 7 document I've just given you --
- 8 A. Uh-huh.
- 9 Q. -- can you tell me -- looking at the left
- 10 side of that graph, can you tell me what percentage of
- 11 African Americans who responded to this poll agree
- 12 that registered voters should be required to present a

- 15 MS. CONLEY: And just so we're clear,
- 16 you're not asking him whether or not that number is
- 17 accurate, just whether this is what the document says.
- 18 Right?
- 19 MR. TATUM: Yes.
- 20 Q. (By Mr. Tatum) I'm asking you to, if you
- 21 would, please, look at this document and tell me what
- 22 percentage this graph depicts --
- 23 A. Right.
- 24 Q. -- of African Americans who responded to this

Q. Okay. Let me rephrase my question. Would

- 2 you agree -- looking at the information on this graph,
- 3 would you agree that this graph indicates that 75
- 4 percent of the people who responded to this poll
- 5 indicated that they agree that registered voters
- 6 should be required to present a government-issued

- 8 A. Correct, looking at this document, I do see

- 11 Q. Okay. Mr. Green, I'm handing you what's been
- 12 marked as Exhibit 8. Mr. Green, I represent to you
- 13 that this is another graphical representation of the
- 14 results of the poll that we've been discussing. And I
- 15 represent to you that this graph depicts the results
- 16 of that poll broken down amongst different races and
- 17 ethnicities.
- 18 MS. KORGAONKAR: We'll object here again
- 19 to the extent that Mr. Green is not familiar with the
- 20 document.
- 21 Q. (By Mr. Tatum) And I will say on the record
- 22 that I'm introducing this to you for the first time
- 23 and I understand this is the first time you've seen
- 24 this document.
- 25 MS. KORGAONKAR: Or any of the

- 4 A. I mean, this document says 63 percent.
- O. And can you tell me what percentage of Latino
- 6 respondents to this poll indicated that they agree
- 7 that registered voters should be required to present a
- 8 government-issued photo ID before they can be allowed
- 9 to vote?
- 10 A. The document says 68 percent.
- 11 Q. Looking at this graph, would you agree that
- 12 the majority of African Americans and Latinos who
- 13 responded to this poll supported voter ID requirements
- 14 in 2011?
- 15 A. I want to make sure I understand your
- 16 question. Say it again.
- 17 O. Sure. Based on the information contained in
- 18 this graph --
- 19 A. Uh-huh.
- 20 Q. -- would you agree that the majority of
- 21 African Americans and Latinos who responded to this
- 22 poll supported voter ID requirements in 2011?
- 23 A. I mean, according to this graph, it does say
- 24 that. I mean, it says 63 percent of African Americans25 and 68 percent of Latino agree that registered voters

And could you tell me what percentage of 24 Q. Okay. Mr. Green, do you think it's at least 25 independents agree that registered voters should be 25 possible that, based on the results of this poll, that 123 125 1 required to present a government-issued photo ID 1 SB 14 was enacted according to the wishes of Texas 2 citizens and not because of a discriminatory intent? 2 before they can be allowed to vote? 3 A. Mr. Green, having worked in the 5 as the League. And I'll make, again, the underlying 5 6 legislature for a short amount of time, as you stated 6 objection that he has no familiarity, neither does the 7 previously, would you agree that elected lawmakers 7 League, with this poll. listen to the voices of their constituents? 8 8 THE WITNESS: Uh-huh. 9 9 MS. KORGAONKAR: And I'll just object, MS. KORGAONKAR: Subject to that, you 10 because Mr. Green is here to testify on behalf of the 10 can answer the question. 11 League, not as himself, as anyone who's worked for the A. Right. I mean, I can't -- I mean, I don't 11 12 legislature or even just as a Texan. 12 know -- I mean, I don't know, according to this graph, You can still answer the question. 13 13 if that is -- if that is the case. I don't know. 14 O. Notwithstanding this poll and these graphs, A. Restate the question. 14 Q. (By Mr. Tatum) Sure. Would you agree that 15 does the Texas League believe that it's possible that 15 16 elected lawmakers listen to the voices of their 16 SB 14 was enacted according to the wishes of Texas 17 constituents? 17 citizens and not because of a discriminatory intent 18 MS. But does the Texas League believe that 4 you know, there's a lot of citizens that -- I mean, 4 educating its constituents regarding voting 5 that are Texas citizens who are left out of the 5 requirements, and I should said voting laws, is a core 6 process because of, you know, the current laws on the 6 mission of the Texas League? 7 books as it relates to SB 14. MS. KORGAONKAR: Objection. It's been Q. Does the Texas League believe that no 8 asked and answered. You can answer. 9 citizens of Texas support voter ID requirements? A. All right. I mean, one of the things that we 10 A. That no citizens? 10 do is, like I say, we engage in people in all respects 11 Q. Correct. 11 of the electoral process. So we do -- you know -- you 12 A. I mean, I would imagine some citizens support 12 know -- educate -- you know -- around -- you know --13 it. 13 different laws or issues that impact them directly. 14 Q. Do you have the Amended Complaint in front of Q. (By Mr. Tatum) Does the Texas League believe 15 you? 15 that educating its constituents regarding the 16 A. If you would please turn to Page 6. 19 responsibilities, yes. 20 A. (Complying.) Q. And how is educating its constituents 21 Q. Now, the question I'm about to ask is going 21 regarding the requirements of SB 14 different from 22 to be in reference to Paragraph 30. Does the Texas 22 educating Texas League constituents regarding voter 23 League believe that SB 14 forces the Texas League to 23 requirements prior to SB 14? 24 divert its limited resources, both financial and A. Yeah. 5 made sure that -- are affected -- I mean, the ones Q. What is that belief based upon? 6 6 that are affected by this law -- I mean, we want to 7 A. Well, I mean, it's based upon our pursuit --7 make sure that those who are eligible are eligible to 8 our core mission is to register voters to educate them 8 vote. 9 about the process, you know, and also to do, sort of, And -- you know -- you know -- we thought we 10 what we call "leadership training." 10 had our existing base secured, but, now, with the new 11 Now, because of the enactment of SB 14, we've 11 law, we have to make sure that they -- that they who 12 been short of -- we're -- we have diverted our 12 voted previously, prior to SB 14, can vote again, you 13 know, after the law has been enacted. 13 resources to pretty much, you know, educate not only 14 -- not only our existing base of voters, but also our So it has pretty much put a strain on, you 15 new base of voters or constituency or population about 15 know, us being able to, you know, increase our voting 16 the -- about the particular SB 14 requirements under 16 universe, add more people to the rolls through our 17 the law. 17 main focus -- one of our main focus is voter 18 So rather than us doing our normal function, 18 registration has been deterred to actually, basically, 19 you know, make sure that our existing base of people 19 we have diverted -- we have diverted our resources to 20 pretty much educating people about, you know, how to 20 who will be registered who voted before and those who 21 obtain one of the forms of ID. 21 are -- you know -- pretty much negative impact get the 22 Q. I mean, I don't know the specific amount. 20 A. Correct. 21 Q. (By Mr. Tatum) Mr. Green, can you tell me 21 Q. Okay. And below that it says -- it lists, 1, 22 what -- can you tell me how much time has been spent 22 Launch a comprehensive education campaign. And 2, Run 23 hosting public education campaigns designed to inform 23 a comprehensive election protection plan. To me, that indicates that the 12 hours, some of them are during the day. But it's --12 comprehensive education campaign and comprehensive 13 it's -- it's -- it's out of -- it's out of the norm 13 election protection plan were just being proposed in 14 and we're making it so frequently. Because one of our 14 this document. 15 15 key is, we want to make sure that -- you know --A. Right. 16 particularly young people and students, we want to 16 Q. Did the Texas League ever launch a 17 make sure that they -- you know -- you know -- they 17 comprehensive education campaign as described in this 18 document? 18 were able to vote prior to SB 14, and we want to make 19 sure that they are. And that's one of the things that 19 A. And this was back in 2012. I think, to the 20 we have been doing critically is ensuring that -- that 20 extent this -- I know this was just a proposal to 21 -- that base that voted in 2012 can vote again in 2013 21 receive funding. And I think -- back in 2012, I think 22 and 2014. 22 our education campaign pretty much focused on just Get 23 (Exhibit No. 10 marked.) 23 Out the Vote since, you know, the law wasn't enacted 24 Q. Mr. Green, I'm handing you what's been marked 24 at that time. 25 as Exhibit 10. Mr. Green, I represent that this 25 Q. Did the Texas League ever run a comprehensive

Yes. 8 mischaracterizes his testimony. Q. And do you recall if the financial resources 9 9 required for those activities equaled the amount Q. (By Mr. Tatum) Do you know if either one of 10 those activities ever occurred? 10 that's depicted below on this document? A. I mean, we did an education campaign, yes. A. I don't -- I mean, I don't know. I mean, I 11 12 12 don't know specifically. Like I said, this was just a Q. Okay. 13 A. And we did an election protection campaign, 13 proposal --14 right, but it was just to -- but just to educate --14 Q. Okay. 15 A. -- back in 2012. 15 you know -- as a -- you know -- as a regular basis Q. But do you know how much it actually ended up 16 on -- you know -- Get Out the Vote. 16 17 Q. Okay. At the bottom there under the heading 17 costing to run those two programs? 18 Budget --A. Actually, I don't know. I know we have a set 18 19 A. Uh-huh. 19 budget and we allocate resources as -- as things 20 Q. -- it has a number of monetary figures --20 happen. Q. Okay. 21 A. Correct. 21 22 Q. -- corresponding to certain expenses --22 A. But in terms of specific cost, I don't know. 23 A. Uh-huh. 23 Q. What do you mean, "as things happen"? 24 Q. -- it looks like. A. Right. Well, I know we normally do voter 25 A. Uh-huh. 25 registration, voter education -- you know -- you know 139 141 1 -- our -- our normal stuff. But then when we find out Q. Does that represent the amount of financial 1 2 resources that would need to be spent on one of those 2 or when there's, you know, something that we think 3 two activities? 3 will impact our -- our key population, you know, we A. Yes, that was -- yes, that's what it's --4 have to make shifts to make sure that that is 4 5 incorporated, as well. I mean, that's a key component 5 yeah, correct, uh-huh. Q. And is that total amount there at the bottom, 6 that we don't want to leave out. 7 \$25,000, is that the amount required for both Q. Are there resources -- well, let me back up. 8 Does the Texas League devise or conduct an annual 8 activities or just one? 9 budget? 9 A. It would be a comprehensive -- I mean, a 10 collaboration of both activities. 10 A. Right. We do a projection. 11 Q. A projection for that year's budget? 11 Q. You mentioned getting new people to register

150 152 Q. Do you know, on average, prior to SB 14, how 1 know, VR -- I guess, what I mentioned before as 2 many new registered voters the Texas League was able 2 tabling isn't as much as now, because we're now, 3 to -- let me state that again. 3 basically, just making presentations and actually, you Prior to SB 14, do you know, on average, 4 know, educating about this new law. 5 average how many voters the Texas League helped Q. And for the record, when you say "VR"? 6 register for the first time? 6 A. Voter registration. A. I mean, I don't know the exact number, but I Q. Okay. Does the Texas League believe that any 8 know it's significantly higher than the amount we're 8 of its SB 14-related activities fall outside of the 9 registering now. 9 scope of the Texas League's mission? 10 Q. Can you give me a ballpark percentage of how 10 A. I already answered that question. 11 much lower it is now, as opposed to before SB 14? 11 Q. Okay. I don't believe -- I've asked -- I've 12 A. I mean, I don't have that -- I mean, I don't 12 asked you a lot of questions about the Texas League's 13 -- I can't -- I mean, I -- I don't have information 13 mission today, especially with regard to SB 14, but I 14 off the top of my head. I would have to. . . 14 don't think I've asked this specific one. 15 Q. Does the Texas -- do you know how many -- or 15 A. Okay. 16 does the Texas League maintain that kind of 16 Q. So, if I may, I'll repeat it. 17 information about how many new registered voters it 17 A. Uh-huh. 18 has -- about how many voters it has helped -- let me 18 Q. Does the Texas League believe that any of its 19 start over. 19 SB 14-related activities fall outside of the scope of 20 Does the Texas League maintain information 20 its stated mission? 21 indicating how many voters it has helped register for 21 A. Of our core mission, yes. 22 the first time in a given year? 22 Q. And what activities are those? 23 A. I mean, we have some information, but it's 23 A. What, our core? 24 not -- I mean, it's not -- I mean, it's not -- I mean, Q. What SB 14-related activities that the Texas 25 I would say it's not categorized as, you know, these 25 League engages in fall outside of the scope of its 151 153 1 core mission? 1 people we registered to vote. Right. Because we A. Well, I mean, as I said before, our core 2 don't -- we -- because -- you know -- we don't -- you 3 know -- possess that type of information. 3 mission is voter registration and Get Out the Vote. 4 It's not solely, you know, about making phone calls to 4 Q. So when you say that you haven't been able 5 to, for lack of a better word, get as many new 5 ask people who we've registered and who voted last 6 registered voters while SB 14 is in effect --6 time if they have the ID to register -- you know -- to 7 A. Uh-huh. 7 be able to register again. I mean, our core mission is actually, you 8 Q. -- as opposed to before it was in effect --9 9 know, bringing new people into the process and, you 10 Q. -- what is that statement based on? 10 know, getting them acclimated to electoral process, A. Well, what I mean by that is that -- you 11 not -- not solely -- you know -- like I said, now, we 11 12 know -- prior to SB 14 -- you know -- we -- you know 12 are -- we have to go back to the people we registered 13 -- we have the time and the resource to -- you know --13 before and actually calling them and making sure. So 14 to attend college campuses and strictly do -- you know 14 it's sort of like double work in some sense. 15 15 -- voter registration now, after SB 14, you know, MR. TATUM: I think I've just got a few 16 we're spending a lot of our time -- I mean, we're 16 more questions here and then we're done. 17 still doing VR, because that's -- like I say, that's 17 MS. KORGAONKAR: Okay. Q. (By Mr. Tatum) Mr. Green, have any Texas 18 one of our core missions. 18 19 But, now, some of the time is, you know, like 19 League constituents ever raised an allegation or 20 concern relating to election crimes to the Texas 20 I said, going to, you know, speak at events or, you 21 League? 21 know, making presentations. So a lot of our, I guess, 22 22 staff and, you know, volunteers are -- are now sort of MS. KORGAONKAR: I just want to note for 23 like in an educational phase, rather than just going 23 the record that we objected to that topic in the

24 30(b)(6) notice, but you can answer the question.

Do we focus on voter fraud? That's not what 4 more questions for you and I pass the witness. 5 our core mission is. MS. KORGAONKAR: So we'll just take a 6 Q. So has the Texas League conducted any 6 break right now and then reconvene. 7 calculations, reports, audits, estimates, projections, 7 MR. TATUM: Sure. 8 or other analyses relating to election crimes or voter 8 (Break.) 9 9 fraud? MS. KORGAONKAR: I'm ready to go back on 10 A. No. 10 the record. We just have a couple of questions for Q. Mr. Green, to the best of your knowledge, has 11 redirect. 11 12 the Texas League provided all documents responsive to 12 MS. MILLER: Okay. 13 the Defendants request for production in this case 13 **EXAMINATION** 14 that were in the Texas League's possession, custody, 14 QUESTIONS BY MS. KORGAONKAR: 15 or control? 15 Q. Mr. Green, earlier you testified that when 16 A. To the best of my knowledge, yes. 16 you used the term "constituents" today, you've meant 17 Q. Mr. Green, do you know a Mr. Yannis Banks? 17 people who have taken actions with the League, signed 18 A. Do I know him? 18 petitions or signed pledge cards. Is that right? Q. Yes. 19 19 A. That's correct. 20 A. I've seen his name. 20 Q. And you've also used the term "constituency Q. Have you ever met or conferred with him about 21 base." Is that right? 21 22 anything? 22 A. Correct. Q. And is it correct that that doesn't 23 MS. KORGAONKAR: Objection. Beyond the 23 24 scope, but you can answer that. 24 necessarily mean people who have taken an action with 25 A. Yannis Banks, I know who he is. I haven't 25 the League or signed a petition or anything like that? 155 157 1 A. Yes, that's correct. 1 spoken to him about anything. 2 MR. TATUM: Okay. Could we go off the Q. Does constituency base, the way that you've 3 record real quick? 3 used today, mean the League's target demographic? 4 (Discussion off the record.) A. Right, our target population. 5 MR. TATUM: Okay. Back on the record. 5 Q. What is a target population? 6 Q. (By Mr. Tatum) Okay. Mr. Green, we were A. Eighteen to thirty-five-year-olds, 7 talking about this before, but we moved on after we 7 particularly young people of color. 8 kind of got bogged done. I was asking you whether the Q. I'd like to just draw your attention back to 9 Texas League believes that the legislature, in 9 Exhibit, I believe it was 3, the list. 10 enacting SB 14, departed from its normal legislative 10 A. Oh, is this it? (Indicating.) 11 procedures. That's what we were talking about. 11 Q. This one, yes. 12 12 A. Okay. So I'm going to ask again: Does the Texas 13 13 League believe that the Texas Legislature departed Q. Earlier, you testified that that document is 14 from its normal legislative practices and procedures 14 a partial list of constituents. Is that right? 15 15 in enacting SB 14? A. Correct. 16 16 Q. Does the League represent the interests of A. I don't know. 17 Q. Well, I don't have anything else for you, 17 constituents in this lawsuit? A. Yes. 18 Mr. Green, now that we've come to this point. 18 19 19 A. Okay. MS. KORGAONKAR: If we could just go off Q. And before I pass the witness, do you have 20 the record for one moment? 20 21 21 any -- anything you'd like to clarify or modify with (Discussion off the record.) 22 regard to any of your answers given today? 22 MS. KORGAONKAR: Okay. Those are all 23 A. I'm trying to think. 23 the questions that we have. 24 24 Q. And you can think about it after we break. THE WITNESS: Okay. 25 And if they ask you any questions, you can come back 25 MS. KORGAONKAR: Does DOJ have any

1 questions. 2 MS. MILLER: No questions from the 3 United States. 4 MR. TATUM: Okay. And I have nothing 5 further. With that, I believe we can go off record. 6 Mr. Green, thank you. 7 THE WITNESS: Thank you. 8 MS.
